ABOUT US:

AKASH GROUP OF INSTITUTIONS was established in the year 2012, It is affiliated to Bihar Nurses Registration Council Patna and Indian Nursing Council, New Delhi

Our Vision

The word “Nursing” draws its essence from the noble mission initiated by “**FLORENCE NIGHTINGALE**” who set forth the path for the professional needs. The necessity of educated trained professionals who could be competent enough to handle and take care of the sick and ailing members of the society.

Our Mission

The aim of the mission is to train nursing professional with high standards and spirit of devotion and human touch. A Sick person is more than 50% cured if he or she is handled with responsive care

Nursing is the medical speciality of caring for the sick and providing focus on helping the patient in fast recovery.

Nursing is an important part of the healthcare sector and is responsible for the smooth functioning of the healthcare organisation. Subjects mainly covered in this course curriculum include Physiology, Anatomy, Biological science, Microbiology, Sociology, Fundamentals of nursing and first aid.

The Program Aims To Produce Highly Skilled Nurses With Qualities Like:

Adaptability, Flexibility, organizational skills and time management.

Leadership skills, Tenacity and the ability to conduct research.

Fitness, Good communication and observation skills.

ANM Nursing Course helps students to find job opportunities in the different nursing organization and other related jobs.

Auxiliary Nurse Midwifery in Nursing is a two-year undergraduate certificate course in Medical Nursing. The minimum eligibility to ANM Nursing course is 10+2 level of education with a minimum aggregate of 45% marks.
